

Instructions for OwlJourney

Owl - player character

Mine - does damage to owl if hit

Goal - reach the goal to finish level

Lives - game ends if you run out of life

Energy bar

Moving

a - left

d - right

w - up

s - down

extra buttons

2 - move two steps up

3 - move 3 steps up

The game is simple. You have to reach the goal and finish all levels. But you will have some obstacles on the way! There are mines, hidden and visible, that are waiting to damage the little owl.

Owl has one extra skill that allows him to fly very short distances. Flying uses his energy and when it runs out, owl will not be able to fly for a while. Energy bar fills to full after level is complete.
